

WHAT IS AN Accredited Staging Professional Master®?

An ***Accredited Staging Professional Master*** (ASPM®) is a dedicated Accredited Staging Professional, who has studied, learned and mastered the proven and powerful techniques of ***Staging***® homes. An ***Accredited Staging Professional Master*** (ASPM®) has successfully completed an extensive, detailed, 5-day ASPM® course exclusively with Barb Schwarz, the Creator of Home Staging®, President and Founder of StagedHomes.com and the International Association of Home Staging Professionals.

Each ASPM® has also completed the prerequisite 3-day ASP® course exclusively taught by StagedHomes.com and designed by Barb Schwarz before completing specialized ASPM® studies and passing a mandatory thorough examination on preparing homes for sale and particulars of the Home Staging® Industry with Barb Schwarz.

Staged Homes traditionally present themselves better than the competition by being clean, clutter-free, and ready to show to prospective buyers. Statistics prove that Staged Homes also sell faster and for more money! An ***Accredited Staging Professional Master*** (ASPM®) is committed to the principles and practices of marketing properties in accordance with the ***StagedHomes.com*** Code of Ethics and recognized as the leaders of the Home Staging Industry.

The ASPM® (Accredited Staging Professional Master) designation is the highest accreditation a Home Stager can earn. I am proud to have completed the extensive five-day training from Barb Schwarz, the Creator and Founder of Home Staging and have earned the ASPM® designation.
